

Dear Parent/Guardian,

Each year, the Lancer Parent Educator Partnership (LPEP) strives to provide our K through 8 students and teachers with exciting experiences, educational assemblies, and needed equipment and supplies that enhance the school experience. To do this, we must hold a number of fundraisers throughout the year.

This year, LPEP's fundraising goal is \$52,000. Without the support of our Deer Lakes parents and the community, we will not be able to reach this goal. Families of Deer Lakes students can show their support for LPEP's mission in several ways:

1. **Joining LPEP:** By joining LPEP, families have the opportunity to voice their opinions on fundraisers, field trips, events, and activities provided to students throughout the year.
2. **Monetary Donation:** Any amount can make a difference in helping us provide our students with new educational opportunities and fun, exciting school events.
3. **Volunteering:** To hold these fundraisers and support events for our students, LPEP is often in need of family volunteers.

To show your support, please detach the portion below with your selection and return it to your child's homeroom in an envelope marked LPEP Fundraising.

Please contact LPEP Fundraising Director Tessa Seigworth via email at tessakaye5@gmail.com with any questions.

Thanks in advance for your support!
